TODD STUART

DON'T BUY A SCULPTURE.

BUILD A LANDMARK.

Anyone can buy a sculpture.

Very few create a landmark.

The most valuable developments don't copy landmarks.

THEY BECOME THEM.

Luxury deserves identity.

MAINARTERY® Landmark Identity™
Developed by Todd Stuart.

MAINARTERY® LANDMARK IDENTITY APPROACH ™

Every landmark begins with four questions.

WHO ARE YOU?

WHAT SHOULD PEOPLE FEEL?

WHAT SHOULD THEY REMEMBER?

WHY HERE?

Only then do we begin designing.

IDENTITY Vision + architecture + legacy.

CONCEPT Capture the project's purpose.

DESIGN Orginal, site-specific sculpture.

ENGINEER Precision engineering.

LEGACY Built to inspire generations.
